

2023-2025 SCHOLARSHIP ANNOUNCEMENT FOR TAJIKISTAN

Deadline: January 2, 2023

We are excited to announce that the United World Colleges (UWC) scholarship application for the upcoming years 2023-2025 is now open for Tajikistan. UWC brings together students from all over the world to attend an international boarding school regardless of their ability to pay.

This year the UWC National Committee of Tajikistan invites current secondary school students to apply for two-year study programs for an International Baccalaureate Diploma (pre-university degree) at UWC USA and UWC East Africa in Tanzania.

Eligibility criteria:

- ❖ Applicants must be citizens of the Republic of Tajikistan.
- ❖ Applicants must be in their final year of secondary school (11th grade) during the application process.
- ❖ Applicants must be at least 16 years old as of September 1, 2023.
- ❖ Applicants should have basic fluency in English to attend the program.
- ❖ Applicants are expected to have good academic records and have proven their dedication to the UWC mission.
- ❖ Applicants who have never studied abroad are encouraged to apply.

UWC values diversity highly. Therefore, the National Committee will take into consideration factors such as geographical representation, gender and the socio-economic background of applicants when finalizing the list of scholarship recipients.

It is important to note that while scholarships are up to fully-funded (depending on family income), families may still have to contribute to additional expenses such as travel and pocket money.

How to apply:

To apply for a scholarship, please visit www.apply.uwc.org/prog/tajikistan and complete the online application. Applicants must first register an account and fill out the necessary personal information (nationality must be set to Tajikistan) to gain access to the UWC Tajikistan National Committee application form.
